12-month minimum, then rolling monthly. Your Health MOT can be booked from day 31 (straight away if you pay yearly). GP time resets each membership year and does not roll over; late cancellations and missed appointments count against it. 14-day cooling-off. Membership is not insurance and does not cover emergency or hospital care — please stay registered with your NHS GP. Our Medical Director is a director of Biox Medical Ltd, which supplies ColoAlert®.
